Clark County Recreation Update

Marcus Aumann, Clark County Parks and Programs Manager

Telephone 715-743-5140

Over the past several days Clark County has received high amounts of precipitation. This has caused us to close the following effective immediately and until further notice:

Knobby Ridge Motorcycle Trails  
Wild Rock Horse Trails

The ATV/UTV Trails will remain open. Users are reminded to please ride responsible as there is currently some standing water located on the trails.

Levis Mound Recreation Trails will remain primarily open for users with minimal trail closers.

Our county campgrounds will all remain open but users should be aware that many sites are currently wet.

We will keep you updated as soon as trails statuses change and more information becomes available. We thank you for your patience and understanding.

Clark County ATV/UTV Trails & Motorcycle trails are subject to periodic closure. Please visit the county website at [www.co.clark.wi.us](http://www.co.clark.wi.us) for updated trail information. Clark County ATV/UTV Trails close October 31<sup>st</sup> each year.
