

**For immediate release**

12June2019

The Clark County Board of Health is seeking Letters of Interest (LoI) from residents who are interested in improving upon the public health matters of Clark County citizens and who are also willing and able to actively serve as a Board of Health member.

The Clark County Board of Health and its members are primarily responsible for understanding the public health needs of the community and developing/promoting policy to improve upon those needs through services provided by Clark County Public Health.

Duties associated with being a Board of Health member include but are not limited to:

- learning about the health status of Clark County residents,
- learning relevant public health statute,
- policy-making and not administration,
- promoting public health policy at the local, regional and state level,
- linking the community and Health Department, and
- attending Board meetings--i.e., typically once per month.

Interested candidates are being asked to write a brief Letter of Interest in serving as a Clark County Board of Health member. On separate letter head, please answer the following:

**Name:**

**Title (if applicable):**

**Degree(s), if applicable:**

**Employer (current or former):**

**Why are you interested in serving as a Clark County Board of Health member (250 words or less):**

**Examples of developing and/or advocating public health policy:**

Letters are due no later than July 12, 2019 and should be mailed to:

Clark County  
517 Court Street, Room 301  
Attn: Dean Zank, Chair-Board of Health  
Neillsville, WI 54456

Initial review of submitted Letters of Interest will occur during an upcoming Board of Health meeting. Those selected by the Board as viable candidates may undergo a second round of deliberation.

Please call 715.743.5105 with any questions.

*It is the Mission of the Clark County Health Department to promote health, prevent disease, and protect the residents of the county through partnerships and population-based services.*
